

Valley Health Plan and LIBERTY

We are proud to be the administrator for your pediatric dental benefits available through your Covered California or Individual and Family Plan. We are committed to providing Valley Health Plan members with the highest quality dentists and dental services.

What are pediatric dental benefits?

The included dental benefits are specifically designed for members ages 0 through 18. Your child's teeth deserve the best care to keep them healthy year after year.

LIBERTY and Valley Health Plan's multilingual website

Visit and register at www.libertydentalplan.com/vhp where you can:

- View dental plan highlights
- View and download your summary of benefits, complete with CDT codes
- Search for in-network dentists and specialists
- Use the site from your PC and mobile devices

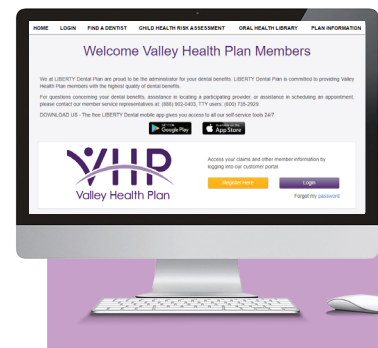

You can also download the mobile app by texting the word **"mobile"** to **22925**

What treatment does my plan cover?

Covered benefits include:

- Preventive and diagnostic care including oral exams, preventive cleanings, sealants and topical fluoride application
- Basic and major dental services including amalgam fillings, root canals, extraction services and crowns
- Medically necessary Othodontia services

For a complete explanation visit: www.libertydentalplan.com/vhp

Do I have to choose a dentist?

Your plan offers you the freedom to use any LIBERTY contracted primary care dentist in our network. While there is no pre-selection required, your ID card will recommend a dentist based on where you live. This is optional only. To receive care, contact any primary care dentist in the network by visiting www.libertydentalplan.com/vhp or by calling LIBERTY at **(888) 902-0403 (TTY 800-735-2929)**.

How do I see a specialist?

If you need to see a Specialist, LIBERTY requires preauthorization. In most cases, your primary care dentist will file a referral on your behalf.

How will I know what my copayment will be?

Copayments may vary by plan. When you enroll, you will be issued a dental ID card, which will include the Schedule of Benefits. LIBERTY Dental Plan will provide you with both the dental Evidence of Coverage (EOC) and Schedule of Benefits (SOB). Please refer to the Schedule of Benefits for applicable copayments and benefit details. To download a Schedule of Benefits, please visit www.libertydentalplan.com/vhp.

Questions?

For questions, ask your network dentist before you receive services and/or call us at **(888) 902-0403 (TTY 800-735-2929)**.
