Section 1 - Introduction

This directory provides a list of LIBERTY's network providers for Independent Health's Medicare Advantage plans. To get detailed information about your dental coverage, please see your Evidence of Coverage.

The "network providers" listed in this directory have agreed to provide you with your dental services. You may go to any of our network providers listed in this directory. If you have been going to one network provider, you are not required to continue to go to that same provider. In some cases, you may get covered services from non-network providers.

Some plans have an out-of-network or point-of-service benefit. Please see your Evidence of Coverage.

If a non-contracting provider submits a bill directly to you, you should not pay the bill, but should submit a provider signed claim form to LIBERTY for processing and determination of your liability, if any. Send the claim to:
