

PROVIDER ALERT!
REDUCE NARRATIVE/X-RAY REQUIREMENTS

March 16, 2018

Re: NV Medicaid – Reducing Narrative/X-ray Requirements (Child Benefits Only)

Dear Doctor:

LIBERTY Dental Plan of Nevada, Inc. (“LIBERTY”) has had an opportunity to review your claim submissions for the last couple of months. Based upon this review, we are pleased to announce that we are relaxing requirements for certain procedure codes.

Effective March 14, 2018, your office will no longer require narrative/x-rays for the following procedure codes.

Code	Description of Services
D0601 – D0603	Caries Assessment
D2140 – D2161 D2330 – D2335 D2390 – D2394	Fillings
D2929 – D2933	Prefabricated stainless steel, porcelain, ceramic and/or resin crowns
D9230	Inhalation of nitrous oxide/analgesia, anxiolysis

Any claims **received** from March 14, 2018 forward will be processed without the additional documentation. Claims previously denied for narratives/-x-rays for the above procedure codes will automatically be re-processed within 30 days. There is no need for your office to resubmit the claims. Please note that LIBERTY reserves the right to request for additional documentation if we identify aberrant utilization patterns.

You can reference the revised Child benefit schedule to reflect the changes in documentation/x-ray requirements on our website at www.libertydentalplan.com/NVMedicaid.

To verify real-time eligibility for your LIBERTY members, please log onto the Provider Portal of our website, at www.libertydentalplan.com. You may also submit claims through the Provider Portal. If you have questions or require additional information, please contact our Professional Relations Department at (888) 700-0643.

LIBERTY appreciates your participation, partnership and our mutual goal to provide your patients and our members the highest quality oral health care.

Sincerely,

LIBERTY Dental Plan of Nevada, Inc.
