**Limitations:**

1. Two (2) oral examinations (D0120, D0145, D0150, D0180) per calendar year.
2. One (1) full mouth series of x-rays or panoramic image every thirty-six (36) months.
3. Two (2) series of bitewing x-rays per calendar year. Routine bitewing x-rays are limited to eight (8) films per calendar year.
4. One (1) oral cancer screening per calendar year, specifically, and limited to, an adjunctive pre-diagnostic test that aids in detection of mucosal abnormalities including pre-malignant and malignant lesions.
5. Two (2) prophylaxis, periodontal maintenance, and/or scaling in the presence of inflammation procedures per calendar year.
6. One (1) fluoride treatment per calendar year for enrollees under age 19.
7. One (1) sealant, sealant repair, and interim caries arresting medicament per tooth every 36 months. Sealant benefits are available only to enrollees under the age of 16. Limited to application to permanent molars with no caries (decay), without restorations and with the occlusal surface intact.
8. One (1) crown, pontic, or abutment crown per tooth every five (5) years, and only if dentally necessary.
9. One (1) Gingivectomy/gingivoplasty/gingival flap procedure per quadrant/site every thirty-six (36) months.
10. One (1) osseous surgery per quadrant/site every 60 months
11. One (1) Periodontal scaling & root planing per quadrant/site every twenty-four (24) months.
12. Replacement of full dentures and partial dentures every five (5) years, and only if existing appliance cannot be made serviceable.
13. One (1) denture or partial rebase or reline per appliance every twenty-four (24) months.
14. One (1) tissue conditioning per appliance every twenty-four (24) months.
15. Two (2) Teledentistry services every calendar year. Limitation begins June 1st 2020. Prior to June 1st 2020, services not subject to limitation.
16. Occlusal guards for bruxism and periodontal disease once every thirty-six (36) months.
17. Space maintainers for covered Dependent children under the age of 19 only to replace primary teeth.
18. General Anesthesia is a covered benefit only when in conjunction with covered oral surgery and pedodontic procedures when dispensed in a dental office by a practitioner acting within the scope of his/her licensure; and when warranted by documented conditions that local anesthetic is contraindicated. General anesthesia, as used for dental pain control, means the elimination of all sensations accompanied by a state of unconsciousness. Patient apprehension and/or nervousness are not of themselves sufficient justification for deep sedation/general anesthesia or intravenous conscious sedation/analgesia.

**Orthodontic Limitations:**

1. The Plan will not make any payment for repair or replacement of an orthodontic appliance furnished, in whole or in part, under this program.
2. Orthodontic benefits are limited to dependent enrollee children under age 19.
3. X-rays or extractions are not subject to the Orthodontic maximum.
4. Surgical procedures are not subject to the Orthodontic maximum.

**Exclusions:**

1. Topical application of fluoride for anyone over the age of nineteen (19).
2. Sealant benefits for anyone over the age of sixteen (16).
3. Services for injuries or conditions which are compensable under workers' compensation or employers' liability laws; services which are provided to the enrollee by any federal or state government agency or are provided without cost to the enrollee by any municipality, county or other political subdivision except as such exclusion may be prohibited by law.
4. Services with respect to congenital (hereditary) or developmental (following birth) malformations or cosmetic surgery or dentistry for purely cosmetic reasons, including but not limited to cleft palate, maxillary and mandibular (upper and lower jaw) malformations, enamel hypoplasia (lack of development), fluorosis (a type of discoloration of the teeth) and anodontia (congenitally missing teeth), except those services provided to newborn children for congenital defect or birth abnormalities or services that may be provided under Orthodontic Benefits.
5. Services for restoring tooth structure lost from wear, erosion or abrasion, for rebuilding or maintaining chewing surfaces due to teeth out of alignment or occlusion or for stabilizing the teeth. Such services include, but are not limited to, equilibration, periodontal splinting and occlusal adjustment.
6. Any single procedure started prior to the date the person became covered for such services under this program. (does not apply to orthodontia)
7. Prescribed drugs, medication or analgesia.
8. Experimental procedures.

**Exclusions (continued):**

9. Charges by any hospital or other surgical or treatment facility and any additional fees charged by the Dentist for treatment in any such facility.
10. Charges for anesthesia, other than by a licensed Dentist for administering general anesthesia in connection with covered oral surgery services.
11. Extraoral grafts (grafting of tissues from outside the mouth to oral tissues).
12. Services with respect to any disturbance of the temporomandibular joint (jaw joint).
13. Services performed by any person other than a Dentist or auxiliary personnel legally authorized to perform services under the direct supervision of a Dentist.
14. For treatment rendered by a person who ordinarily resides in the primary enrollee's household or who is related to the primary enrollee (or to the primary enrollee's spouse) by blood, marriage or legal adoption.
