

### **Dentists Treating Children with Intellectual and Developmental Disabilities Provider Directory**

WellCare of New Jersey works with Liberty Dental Plan (Liberty) to provide members with dental care. The following is a directory of participating dental providers who treat children with intellectual and developmental disabilities (I/DD): [Directory of Dentists Treating Members with Intellectual Disabilities for Children.pdf \(libertydentalplan.com\)](#) Additional dental provider information and/or to Request an Office Transfer, can be found directly at: [Liberty Dental Plan | Wellcare Find a Dentist](#).

This directory provides the address, hours of operation, contact information, languages spoken, and accommodation for I/DD members at each dental office listed. American Disability Act (ADA) compliance for a provider can also be found in the online directory for each dental office/clinic. The parent/caregiver/guardian should call the provider with questions and concerns associated with providing dental services to the I/DD member. During the call specific information concerning the I/DD member should be discussed such as:

- Accommodations for wheelchair or stretcher bound patients
- Obtaining information for adaptive equipment and concerns with sensory triggers
- Desensitization visits – does the office provide this?
- Believe that the child/adult may be limited in their ability to tolerate dental care in the office

The links below provide the "What to Ask When Contacting a Dental Office" guide sheet in English or Spanish to assist you in talking with a dental office about the special accommodations to be considered for you or a family member with intellectual, developmental disabilities, or special health needs.

## **Directorio de proveedores de Dentistas que tratan a niños con discapacidades intelectuales y del desarrollo**

WellCare de Nueva Jersey trabaja con Liberty Dental Plan (Liberty) para brindar atención dental a los miembros. El siguiente es un directorio de proveedores dentales participantes que tratan a niños con discapacidades intelectuales y del desarrollo (I/DD): [Directorio de dentistas que tratan a miembros con discapacidades intelectuales para niños.pdf \(libertydentalplan.com\)](#) Para obtener información adicional del proveedor dental y/o para solicitar una transferencia de consultorio, vaya directamente a: [Liberty Dental Plan | Wellcare Encuentre un dentista.](#)

Este directorio brinda la dirección, horario de atención, información de contacto, idiomas hablados y adaptación para los miembros con I/DD en cada consultorio dental indicado. El cumplimiento de la Ley de Estadounidenses con Discapacidades (ADA) para un proveedor también se puede encontrar en el directorio en línea para cada consultorio/clínica dental. El padre/madre/cuidador/tutor debe llamar al proveedor con preguntas y preocupaciones relacionadas con la prestación de servicios dentales al miembro con I/DD. Durante la llamada se debe tratar información específica sobre el miembro con I/DD, como:

- Adaptaciones para pacientes en silla de ruedas o en camilla
- Obtención de información para equipos adaptativos y preocupaciones con desencadenantes sensoriales
- Visitas de desensibilización - ¿son proporcionadas por el consultorio?
- Creer que el niño/adulto puede estar limitado en su capacidad de tolerar la atención dental en el consultorio

Los siguientes enlaces brindan una hoja de guía “Qué preguntar al comunicarse con un consultorio dental” en inglés o español para ayudarlo a hablar con un consultorio dental sobre las adaptaciones especiales que se deben considerar para usted o un miembro de su familia con discapacidades intelectuales, del desarrollo o necesidades especiales de salud.
