

This directory provides a list of Wellpoint network dental providers treating NJ FamilyCare (NJFC) adults with intellectual and developmental disabilities. LIBERTY Dental is a vendor through the Wellpoint network for members currently enrolled in Wellpoint.

Included in this directory are:

- General dentists
- Dental specialists

The network providers listed in this directory are available to provide you with dental services.

This provider directory lists providers in your area by county, then grouped by type of care or service they provide and includes the address, hours of operation, contact information, languages spoken, and accommodation for I/DD members at each dental office listed. American Disability Act (ADA) compliance for a provider can also be found in the online directory for each dental office/clinic. The parent/caregiver/guardian should call the provider with specific questions and concerns associated with providing dental services to the IDD member. During the call, specific information concerning the IDD patient should be discussed such as:

- Accommodations for wheelchair - or stretcher bound patients
- Obtaining information for adaptive equipment and concerns with sensory triggers
- Desensitization visits
- Belief that the adult may be limited in their ability to tolerate dental care in the office

Wellpoint's vendor, LIBERTY Dental, has a provider look-up tool on their website. Go to LIBERTY's website directly at libertydentalplan.com. Use the Find a Dentist tool: libertydentalplan.com/Find-a-Dentist/Find-a-Dentist.aspx.
